

# YOUR CARE. YOUR WAY.

You need medical care and you need it now.  
 But you're not sure where to get it.  
 Let us help with this guide to local care options.

## PRIMARY CARE SICK VISIT

Your primary care provider is an important partner in the management of your overall health. When you're sick, you may be able to get a same-day appointment with your provider or another member of our primary care team (depending on practice schedules).

**Already a patient at a Beaufort Memorial Physician Partners practice?** Providers at all BMPP practices will have ready access to your medical records.

See [beaufortmemorial.org](http://beaufortmemorial.org) for practice locations and hours.
